Parents interested in attending:

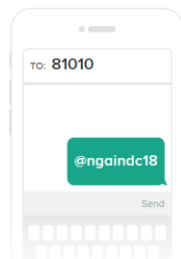

Parents interested in attending the Washington, D. C. trip with the NGA are welcome to submit their name in writing to our Director, Mrs. Mary Anne Collier. Due to transportation costs, a parent lottery will be conducted to select parents to attend the trip with the Ninth Grade Academy. The number of parents drawn to go on the trip depends on the number of students who sign up for the trip. The lottery will be conducted AFTER the number of students attending is determined. In order for your name to be put in the lottery, you must complete the **mandatory volunteer training and background check**.

The total cost for an adult is \$485.00. The cost is based on a double occupancy rate. Parents chosen will be notified and will then be asked to submit a \$100 non-refundable deposit to secure their spot.

While teachers are in charge of students, parents will be assigned to a teacher to act as their assistant and will be asked to perform duties to help out with the details of traveling. Further details will be given to those selected. The final payment deadline of Feb. 5, 2018 is the same as the student's. If you wish to make smaller payments in between the deposit and the final deadline, that is fine.
